

Elevate your culinary game through **virtual cooking classes** designed to feed your curiosity.

Logan Scheer, chef instructor and owner of Ingrediology, teaches live cooking classes to a community of food lovers every week on [ChefsFeed](#) and [Twitch](#) and is available to host private events for family, friends, coworkers -- or just about anyone you want to connect with over a delicious meal.

Find Logan's recipes and hear [what people are saying](#) about Logan's classes at [ingrediology.org](#) and get in touch by emailing logan@ingrediology.org. **Let's collaborate!**

Marketing Opportunities

Through Logan's [Twitch](#) stream, food and lifestyle brands have the opportunity to see their products shown live to **thousands of viewers** each week through interactive and recorded cooking demonstrations, product placement, [Instagram](#) posts and more.

[Salty Dog Spice Company](#), a veteran-owned business specializing in handcrafted salt and spice mixes, partners with Logan to create recipes featuring their products, like the chocolate orange budino and biscotti pictured [here](#) (right) featuring Salty Dog's Chocolate Espresso Sea Salt.

Ingrediology's tier 3 subscribers on Twitch pay \$24.99/month to support Logan's business, gain access to custom stream emotes, get a free pass to one of Logan's [ChefsFeed](#) classes (typically valued at \$25 or more per class) and access to the Ingrediology community on Discord. To add value for these subscribers, **Logan partners with Salty Dog Spice Company** to send tier 3 subscribers a Salt of the Month for each month they opt-in.

Logan is excited to add more brands to his monthly subscriber portfolio.
